- 2 The Local Planning Authority has taken account of the following development plan policies and proposals:-
Local Plan Part 1 - Joint Core Strategy: DS1, MTRA4,
Local Plan Part 2 - Development Management and Site Allocations: DM15, DM16, DM17, DM23
- 3 This permission is granted for the following reasons:

The development is in accordance with the Policies and Proposals of the Development Plan set out above, and other material considerations do not have sufficient weight to justify a refusal of the application. In accordance with Section 38(6) of the Planning and Compulsory Purchase Act 2004, planning permission should therefore be granted.
- 4 All building works including demolition, construction and machinery or plant operation should only be carried out between the hours of 0800 and 1800 hrs Monday to Friday and 0800 and 1300 hrs Saturday and at no time on Sundays or recognised public holidays. Where allegations of noise from such works are substantiated by the Environmental Protection Team, a Notice limiting the hours of operation under The Control of Pollution Act 1974 may be served.
- 5 During construction, no materials should be burnt on site. Where allegations of statutory nuisance are substantiated by the Environmental Protection Team, an Abatement Notice may be served under The Environmental Protection Act 1990. The applicant is reminded that the emission of dark smoke through the burning of materials is a direct offence under The Clean Air Act 1993.
- 6 Please be respectful to your neighbours and the environment when carrying out your development. Rights of Appeal:

- The applicant or the applicant's representative has the right to appeal to the Secretary of State against any of the conditions applied to this permission under section 78 of the Town and Country Planning Act 1990.
- As this is a decision relating to a householder application, any appeal against the conditions must be made by 29 April 2021
- If an enforcement notice is served relating to the same or substantially the same land development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within 12 weeks of the date of this notice, whichever period expires earlier.
- The Secretary of State can allow a longer period for giving notice of an appeal, but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- Appeals must be made using a form which you can get from the Secretary of State at:

The Planning Inspectorate (England)
Temple Quay House
2 The Square

- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by the Secretary of State.
